Easier Transfers

A new design simplifies moving and managing your assets.

- **Three clear functions.** New tabs distinguish deposits, withdrawals, and internal transfers. Now, you always know which way your funds are moving.
- **Helpful details.** Quickly see the specifics on each money and asset management method available to you, including an easy way to compare timing, cost, and limits.
- **Combined internal transfers.** Now you can transfer cash and securities between your TD Ameritrade accounts from the same tab.

A blend of enhancements makes your transactions faster and easier.

- **Choose an ACH transfer approach.** Now you can contact your bank directly or complete the online form to have us initiate a transfer. See the Deposit tab for details.
- **Save time.** A revamped design with smoother processes, a simplified layout, and cleaner graphics mean less time completing forms and more time to focus on your financial goals.
- **Complete a simplified deposit form.** Forms for checks and stock certificates no longer appear in separate pop-up windows.
