know-how

Cookies and spam? No, it's not the latest trendy diet (even though it's catchy enough to sell!). If you're not familiar with the Web versions of these terms, you're probably compromising your privacy while you're surfing. Learn how to safeguard personal information in this month's installment of AT&T's *User's Guide to the Information Age**. [Duck the Internet junk food.](#)

Teleworking increases efficiency. Tired of negative stereotypes of telecommuting? Point detractors to a recent study that demonstrates that full-time telecommuters are 20 percent more likely to be rated as high performers than their office-bound peers. Find it in the [AT&T Telework Webguide.](#)

BOUNDLESS
Broadband
Your World.

Find Out How.

on the drawing board

Peek at the 21st Century telephone. How'd you like to dial your pals using an AT&T broadband phone with a touch screen and stylus that lets you draw diagrams or maps while talking, share photographs, and browse the Web? Since these sleek new phones don't run software, but act as an input/output device for broadband network applications, they'll be simple, cheap, reliable and flexible. And with market trials anticipated from AT&T within the next year, the broadband phone is [more than just talk.](#)

within your reach

Not your average telephone bill. With the AT&T Inter@ctive Bill, you can use online tools to look up unfamiliar numbers, sort calls, get virtually round-the-clock assistance and request instant credits. Your monthly charges are automatically billed to a credit card or checking account. It's only available to AT&T Residential Long Distance Service customers. Sign up and [get free minutes.](#)

Cool wireless Web content. Access awesome content from the AT&T Surf Lounge(sm), a unique collection of more than 60 wireless Web sites, including MTV, VH1, Sonicnet, and more. It's the first dedicated youth homepage for the wireless Internet in the United States. Available exclusively with AT&T Digital PocketNet(sm) service, which offers free, unlimited access to featured sites on the wireless Internet. [Check it out!](#)

Instant prepaid calling. Order an AT&T PrePaid Phone Card online and you can use it immediately. No waiting for shipping; your access

number, PIN and instructions appear on your screen. Just print the information and start calling. [Find out more.](#)

Special DSL Internet, Web Hosting offer. Combine AT&T's fast, always-on DSL Internet Service with AT&T Small Business Hosting Services and get your first month of hosting *free*. In addition to faster Web surfing with no busy signals, you can create a world-class business Web site for as little as \$25 a month, or an e-commerce store with up to 20 products for as little as \$50 a month! Look for this special offer on the DSL ordering page! [Conduct business at Internet speed!](#)

Stretch your dollars. Visit the AT&T WorldNet® Service homepage and explore the Home Banking Center. You'll find tools that calculate payments and returns on investments, discover your town's lowest auto loan and mortgage rates, and uncover great deals on CDs and money market accounts. Get investment and tax strategies, compare credit card rates, and more. [Start making cents.](#)

* Special holiday savings. Mention the phrase, "AT&T Special," when ordering your *User's Guide to the Information Age* and get 10% off the regular price. (Excludes shipping and handling).
